# What We Do?

# B2G

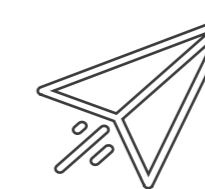

## B2G SALES

- Atlantic Contract's primary function is to support and advise contractors through the procurement process. We provide direction to new contractors entering the market from registration to participating in their first solicitation and beyond. Experienced contractors also benefit from our services, seeking innovative new marketing solutions as well as International expansion into Europe.

## PRIVATE SECTOR ENGAGEMENT

- Participation and advising local government initiatives to expand market knowledge of government contract opportunities with US DOD, NATO, UN and other international agencies.
- Networking with similar consulting firms as well as industry and trade groups.
- What benefits the industry benefits the players!

## CONTRACTOR-GOV LIAISON

- Introduction of new contractors and technologies to procurement officials
- Advising on optimal procurement methods based on regional insight
- Market research, RFI and Sources Sought response

# What We Do?

## CONTRACT MANAGEMENT CONSULTING SUPPORT

- Atlantic supports its clients throughout delivery of the contract including documentation, reporting, scheduling, and working according to acquisition regulations such as US FAR.
- This results in the development of a pool of contractors ready to execute progressively larger projects.
